It's an exciting time to become a part of the Norwegian family.

ROCK OF AGES

ROCK OF AGES is one of the longest running shows in Broadway. The New York Times called the show, "Absurdly enjoyable! About as guilty as pleasures get!" The classic rock love story of the decade features such feel-good, sing-out-loud songs such as "Every Rose Has Its Thorn," "I Wanna Know What Love Is," "Here I Go Again," "Don't Stop Believin," and more. The film of the musical by New Line Cinema was released on June 15, 2012.

In addition to being a bona fide Broadway hit musical, ROCK OF AGES was a runaway success in Toronto and Australia, in London's West End and on a UK tour and has several successful licensed productions in Asia.

DREW

A young (20's), handsome rocker. He has great comedic timing and is a strong rock tenor (up to a high D). Drew desperately wants to be a rocker, but works as a bar back at the famous "Rock of Ages" club on the Sunset Strip until his dreams, however unrealistic, come true.
PRINCIPAL.

SHERRIE

A young (20's), pretty girl who has left her Midwestern family to pursue stardom in Los Angeles. She is innocent, naïve with great comedic timing. She has a strong (and HIGH!) rock voice and is a terrific dancer. PRINCIPAL

STACEE JAXX

A Rock Star. He is very sexy and fit, at the top of his game, and just left his very successful metal rock band to venture out on his own. He has very strong comedic timing and a strong rock voice. Arrogant and charming, his life is a merry-go-round of good old sex, drugs and rock-n-roll.
